

TacStud

Stainless Steel Tacstud (TSTDSSCNFNL P)

- Plain sides
- Sloped sides for safe transition
- For hard surfaces
- Pin shaft, requires epoxy

Stainless Steel TacStuds are crafted from hard-wearing marine-grade stainless steel. They offer a corrosion-resistant finish, excellent anti-slip rating, and enhance accessibility and safety in high-traffic public spaces.

Installation guide

Install Tacstud to required areas as marked in accordance with manufacturer's recommendations. For the best results we can provide installation.
