

Swivel Wall Mounted Cradle Bike Rack

BREZHLDTRIWMSWPC

- Swivels side-to-side 45 degrees
- Maximises storage capacity
- Easy installation
- 400mm spacings

This rack combines style with smart functionality through its unique hinge design, allowing the rack to swivel smoothly by 45 degrees from side to side. This dynamic feature minimises required spacing between racks to just 400mm. The innovative cradle securely holds the front wheel, making it easy to lock both the wheel and frame for added security. Perfect for compact, efficient bike storage solutions.

Installation guide

Install Swivel Wall Mounted Cradle Bike Rack to required areas as marked in accordance with manufacturer's recommendation. For the best results, we can provide installation.

Application

Exterior & Interior

Finish

Powder coated
