

TRP44R

Two Part Trim with Aluminium Ramped Top

- Continuously adaptable height and inclination
- High load capacity up to 1.5 tons
- Provides a safe transition between carpeted surfaces of differing heights
- Mechanical fixings

Two-Part Aluminium Trim offers a seamless solution for joining floor coverings to other surfaces. Lightweight and corrosion-resistant, it allows easy installation and adjustments while providing a clean, professional finish in commercial spaces.

Installation guide

Install TRP44R to required areas as marked in accordance with manufacturer's recommendations. For the best results we can provide installation.
